Presidential \$1 Coins are available
throughout the country.

COLLECT AND USE THEM ALL!

UNIQUE DESIGN

- The Presidential \$1 Coins feature an obverse design of a former U.S. president on one side and display the Statue of Liberty on the other.
- Traditional coin inscriptions, "E Pluribus Unum" and "In God We Trust" as well as the year and mint mark, are cut into the edge of the coins, not the coin surface.

READILY AVAILABLE

- The new \$1 coins are available at financial institutions and accepted where dollar coins are used, including businesses, transit authorities, and vending machines.
- For the collector, Presidential \$1 Coins will be available in the United States Mint's annual coin sets, which can be purchased directly from the United States Mint.
